FOLLOW

4-Apr-2016

Track is a countertop washbasin, inspired by **Valdama's** aesthetical and technical studies on shape modelling and profile streamlining. It is an ideal frame, designed to welcome the ever-changing water experience and to give a shape to its fluidity, taking on the independence of an art object.

Track is available in three different sizes and in different colours.

FOLLOW

4-Apr-2016

Cut is a countertop washbasin inspired by the idea that less is more, with streamlined lines and edge-cut profiles. This sculptural washbasin is obtained by juxtaposing two complementary and finished shapes: the recessed basin and the raised supported surface.

Cut's modular layout has three available sizes, two versions with or without countertop and is also available in different colour versions.
